McMULLEN HERTFORDSHIRE FAMILY BREWERS

Over 160 Years Of Brewing Tradition

The Brewery was founded in 1827, eleven years before Queen Victoria ascended to the throne. It was started by Peter McMullen, Great-Great-Great Grandfather of the McMullens who work in the company today. The Brewery began in a modest building in what is now Railway Street, Hertford. The first McMullen pub was in Bengoe, near Hertford, and it opened in 1836. Today there are some 138 McMullen pubs in and around Hertfordshire and London.

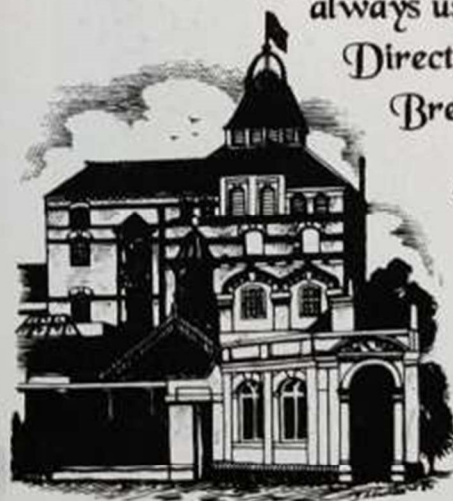

Peter McMullen

The original Brewery was soon to outgrow itself and the business moved to Mill Bridge, Hertford. With the growing popularity of McMullens ales, these premises, also, proved too small, and in 1891 the original buildings of the present brewery in Hartham Lane, Hertford, were built - on the site of three wells which today provide the pure water which is so important in giving the characteristic flavour to McMullen beers.

McMullen Drayman in 1955

Task ales such as Original AK, Gladstone, Country Best, Stronghart and McMullen Special Reserve are brewed by the same traditional methods always used by McMullen and which have won for Production Director and Head Brewer Tony Skipper the title, UK Brewer Of The Year.

Built in 1891, the Brewery is still in use today

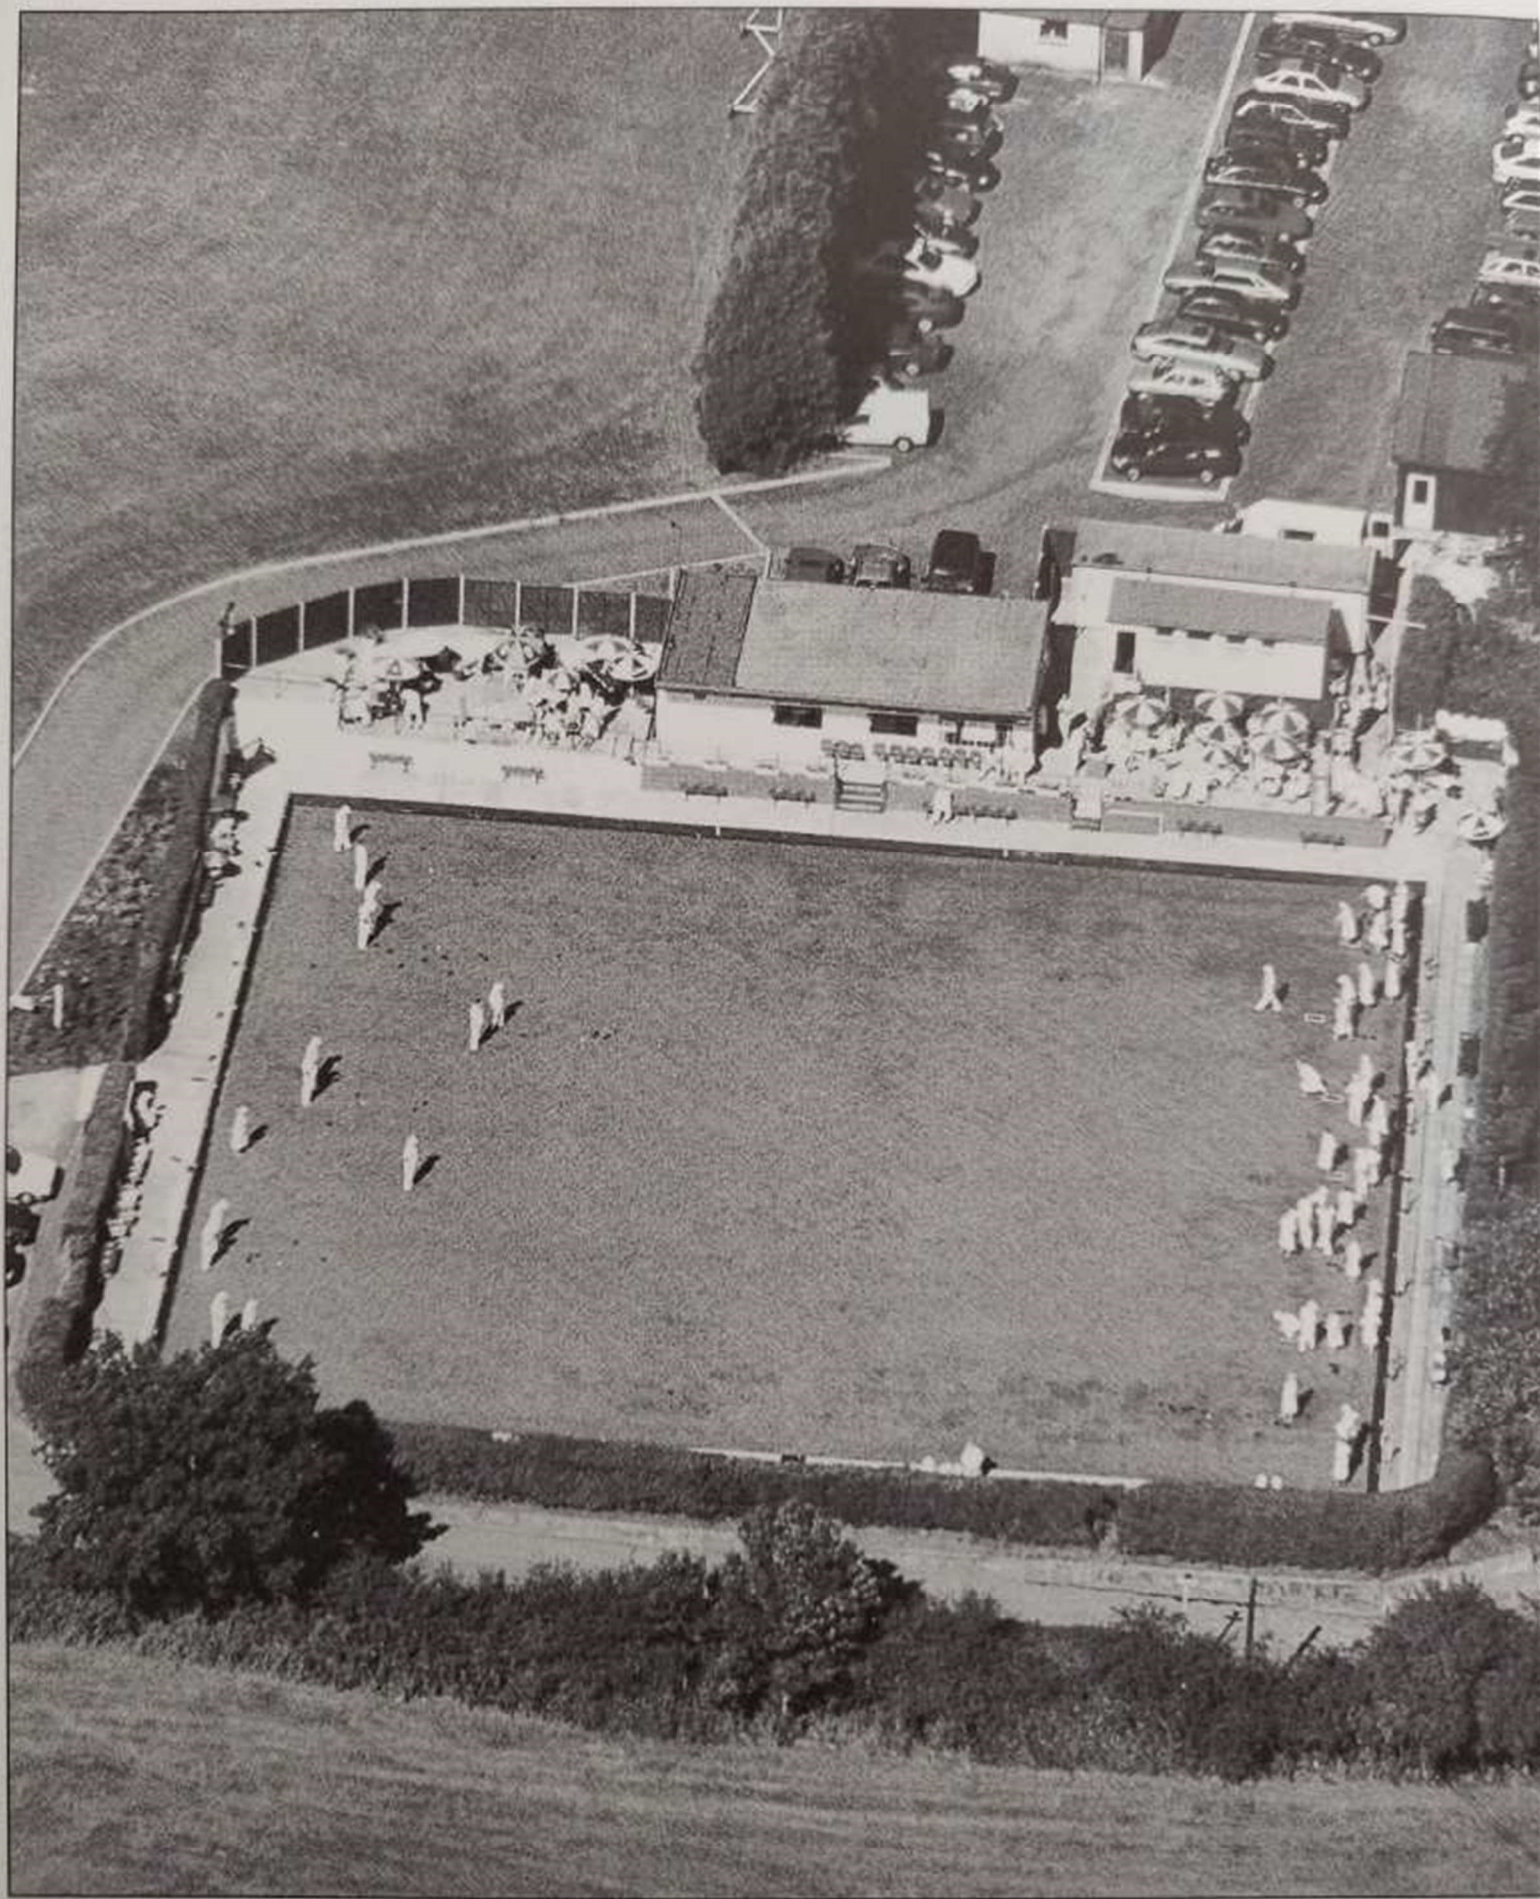

Today, McMullen & Sons Limited is still an independent family business, proud of its traditions and aware of the immense value of the skills and knowledge that have been carefully handed down from one generation to the next to create and preserve the distinctive flavour of McMullen beers.

KEITH FORD, *President 1998*

President's Message...

I am deeply honoured to have been elected your President for the 75th Anniversary year of this club which, since 1923 has promoted both the game of bowls and friendship throughout the County.

A full programme of games and events have been organised to acknowledge this milestone including visits by the English Bowling Association, the Hertfordshire County and East Hertfordshire Bowling Associations. I am sure that these matches will be enjoyed and long remembered.

We are indebted to McMullen Brewery of Hertford for being our official Anniversary Sponsor and would like to thank them for their assistance and look forward to a long association with them.

It is my sincere wish that we celebrate in style and that all members enjoy good bowling, good health, the friendship of other players and give our wonderful club, Rosedale, the support it rightly deserves.

ROSEDALE BOWLS CLUB

1923 – 1998

THE club was formed on 1st January 1923 as a section of the Rosedale Sports and Athletic Club. Its members came primarily from Oakley and Pembridge Nurseries local rose growers. Despite an acute shortage of equipment (most significantly bowls!) the club played its first game on 26th May 1923. Three rinks, situated where the cricket nets are today played eleven ends against Durants Park BC. An entry in the Minute Book recording the event states:

"All members should attend and will get some play. All members will benefit from play against experts".

The result was Rosedale BC 30 Durants Park BC 39

The following year the Club started on the long road of competitive bowls by playing Hertingfordbury BC in the East Hertfordshire League. The result, a win by six shots, was a fitting start of an excellent record enjoyed by the Club at all levels ever since.

By 1925 the Club was fully established and in 1939, prior to the outbreak of World War Two, 32 friendly games were arranged. However, the war soon restricted activities and members turned their attention to raising funds for various good causes such as the Red Cross and local hospitals. One such beneficiary, which seemed to get the lion's share of the money raised was named "Our Boy's Cigarette Box"!

The season of 1946 although not back to 1939 standards did however, have one event of note. On 23rd November a Club Dinner was held. The cost was five shillings a head.

A Dinner Menu from 1947, the year of the main Club's 25th Anniversary, is reproduced opposite. The variety programme consisted of six acts, all sections took part and as is still the case today, the dinner extended well into the night.

The next year was spent in expanding the Club until by the end of the 1947 season it was decided that the green was too small and on 23rd April 1949 the new green was opened in its present location.

1949 – Opening of the Green

Two founder members of note were Charles Burgess and Ted Chastell. The former a manager of the Nursery, he was elected in 1954 as the President of Hertfordshire County BA. Ted Chastell was a County player, County selector and uniquely a life fellow of Rosedale. Ted became greenkeeper and spent his later years working every day on preparing the green. Both became an integral part of Rosedale's history.

Charles Burgess, Rosedale BC
Hertfordshire BA President 1954

Records of the Club's activity become a little sketchy over the years 1949-54 and do not exist at all from 1955-69. However, a combined fixture card for the season 1965-66 shows that the Secretary was one C. W. Lammas. Several teams remain firm fixtures and pencil and ink notes of the results denotes varying success.

Since 1970 the Club continued to grow in numbers and status. In 1978 we had our first County Finalists in the late Mick Brayne and Keith Ford. During the late 70's and early 80's five members represented Hertfordshire in the Middleton Cup team, namely Mick Brayne, Andrew Adkins, Michael Knowles, John Dowler and Keith Ford – the latter two in the 1981 side that reached the semi final, a feat not emulated by the County to this date.

In 1977 and 1980 the Club won the County League title (The Manning Cup). These two memorable victories were after many rounds of competition.

In 1981, Doug Shepherd won the County Singles title followed in 1983 and 1988 by John Dowler. In 1983, John also won the East Herts BA singles, the Club singles championship, the East Herts two wood pairs, the Insurance Pairs, the Club 91 competition and was runner up in the Eastern County singles. A unique achievement.

Throughout the Eighties and Nineties, County Pairs bowling has been dominated by 'The Two Ronnies', alias, Ron Quinton and Ron Pearson. They have won the County pairs championship in 1984 and 1993 and were runners up in 1988, 1992, and 1994. In 1996 they claimed the East Herts Bowls League pairs title. This has been a tremendous achievement achieved over a long period of which the Club is rightly proud.

Over the years the Club and several players have won honours in local and East Herts competitions and latterly the East Herts Bowls League and this reflected in the "*Roll of Honour*". Additionally, the Club was honoured in 1964 when Fred Syer was elected President of East Herts Bowls Association and followed in 1987 by Bill Denton and in 1993 by Derek Adkins.

The Ladies Section was formed in 1975 and has continued to thrive and in 1984/5 Irene Rosendale was elected President of the newly formed East Herts District Women's Bowls Association, an honour emulated in 1997 by Linda Hillman. The Association was the brainchild of Rosedale members and its success can be attributed to their original endeavours in formulating its Constitution.

Several ladies have reached the County and East Herts finals as shown on their "*Roll of Honour*". The ladies fully contribute to the success of the Club both on and off the green by organising fundraising events such as the Ladies and Mixed Gala Days.

The Cestra League has been won on nine occasions and the Parker Trophy thirteen times, the most by any of the local participating clubs.

In 1996, Bill Lammas was elected a Life Member of Herts County BA for his work and support. This is the first such award for a member of this Club and we congratulate him on this honour. Now a Middleton Cup Selector we wish him and the team all the best in the coming years.

In 1997 the Club won the locally sponsored British Gas Cup despite fierce local competition and all bodes well for further successes in 1998.

Away from the playing front, since 1989 several major projects have been undertaken. Firstly, a new pavilion was built and in the forthcoming years an extension with toilets was added. The grass banks around the green have been removed and replaced by concrete pathways. A new gentlemen's changing room was purchased, new brick walls, patio areas and fences added and the green surrounds improved to a high standard. This was all achieved by the abundance of hard work, commitment and enthusiasm of the members, several of whom have given freely of their time during the long winter months. As with any Club, we know who they are, they are often the unsung heroes working for the benefit of the Club and its members.

The new pavilion built in 1989

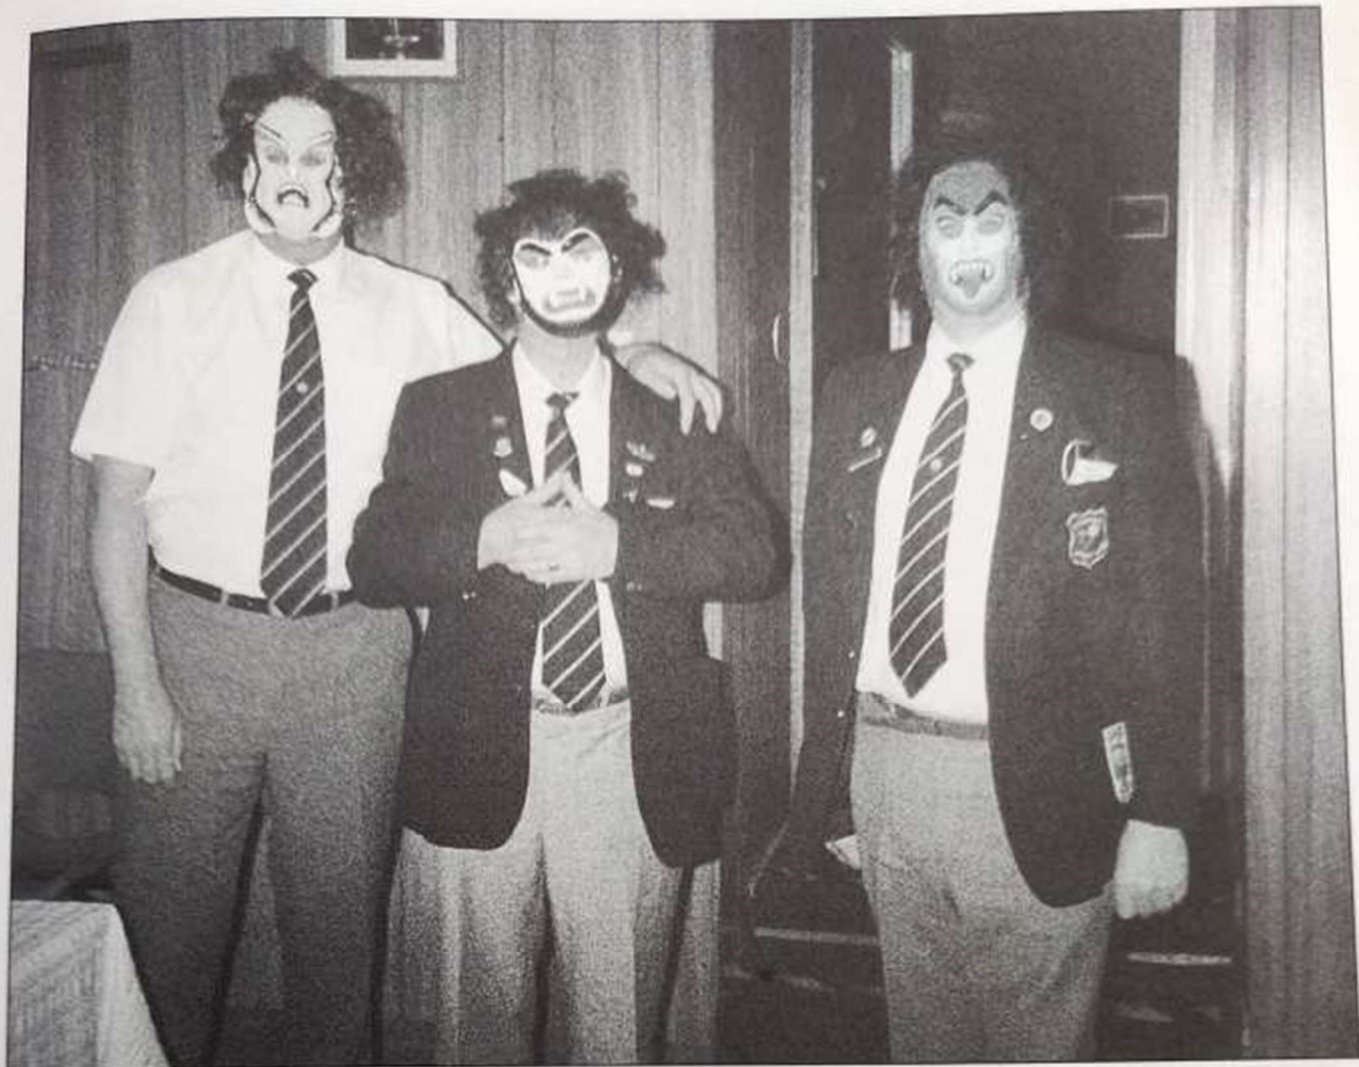

As we prepare for this, our 75th Anniversary year, a sprinkler system has been installed and during the winter months intensive work has been carried out on the green.

Members who helped build the pavilion

Three Gala days now form an important part of the bowling calendar as we seek to encourage other bowlers to share our friendship and facilities. We are extremely grateful to Sainsburys, Leaside Leisure (Harlow Greyhound Stadium) and Spellbrook Motors for their past support of these galas.

The three day Men's Tour now in its 16th year has taken us to all parts of the UK. Stories, reported and unreportable incidents abound, but above all the fellowship and spirit is there for all to see.

On tour — the same 'old' faces get the masks

Club members have toured abroad in Spain and Portugal and all have enjoyed the experience of playing on different surfaces and at higher temperatures.

Other members who have contributed fully to Rosedale's history but not previously mentioned in this programme include the late Ernest Stevens, Major Tollworthy, Fred Goodwin and Peter Hoare. Also Ken Carter, Harry Bennett and Tony Rodgeron. Without their efforts in past years our history may have been less colourful.

We look forward to meeting old and new friends and to a successful and happy 75th year. We are all rightly proud of what we continue to achieve for Rosedale and we trust that your visit to us will be enjoyable and that you will return in future years.
